

ASTROYOU — NEXT-GEN HUMAN CONNECTION

AstroYou transforms astrology into a human-centered framework for awareness, timing, and connection. Powered by **Hermes AI**, a multilingual voice-and-text companion, AstroYou turns celestial data into reflections you can actually feel.

WHAT MAKES ASTROYOU DIFFERENT

AI-Powered, Human-Driven — Hermes AI interprets your chart in your language, delivering insight that's personal, not predictive.

Tri-Fold Interpretive Engine — Our exclusive model (Planets × Signs × Houses) decodes emotional and psychological patterns with depth and precision.

Connection Intelligence — AstroMatch reveals compatibility through an instant Connection Score and interpretive report.

Private Social Space — AstroYou Space lets members share charts and insights—no likes, no feeds, no noise.

BRAND STATEMENT

AstroYou merges **AI, psychology, and authentic astrology** to create a reflective, multilingual platform for conscious connection. It's not about prediction — it's about presence.

ABOUT THE FOUNDER

Mary Mohebi — Founder & Director

Researcher of astrology, yoga, and meditation, Mary began her path after Yoga Teacher Training and Hermetic Astrology workshops by ISAR (2018). She has since studied thousands of charts, fusing ancient wisdom with modern technology to make astrology more personal, insightful, and alive.

"We designed Hermes AI so astrology could finally speak like a mirror — intelligent, multilingual, and human."
