

ASTROYOU — HUMAN-CENTERED ASTROLOGY FOR SELF-DISCOVERY & CONNECTION

AstroYou helps people understand themselves, their timing, and their relationships through authentic astrology, human-written interpretations, and thoughtful technology.

Hermes AI does not replace the astrologer's voice. It connects AstroYou's human-written chart interpretations into clear, personalized reflections.

WHAT MAKES ASTROYOU DIFFERENT

Human-Written Astrology — Built from deep astrological interpretations created by real practitioners.

Tri-Fold Engine — Combines Planets × Signs × Houses for layered chart insight.

Hermes AI Companion — Weaves chart meanings together into clear, personal guidance.

Live Sky — Shows how current planetary movements relate to your birth chart.

AstroMatch — Reveals compatibility through a Connection Score and relationship report.

AstroYou Space — Private chart-based connection. No likes, no feeds, no noise.

BRAND STATEMENT

AstroYou brings **authentic astrology**, **self-discovery**, and **private connection** into one reflective platform.

Human insight comes first. Technology helps connect the pieces.

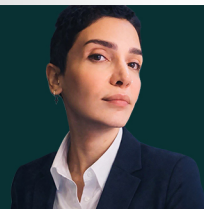

It is not about prediction. It is about presence.

ABOUT THE FOUNDER

Maria Varshoei — Founder & Director

Maria Varshoei is a researcher of astrology, yoga, and meditation. Her path began after Yoga Teacher Training and Hermetic Astrology workshops by ISAR in 2018.

She has studied thousands of charts and created AstroYou to make astrology more personal, practical, and alive.

"Astrology reveals how your inner world creates your outer world, while your free will is always there."
